Business ordering & Christmas delivery

White Box Care | Christmas 2026 | Updated 24 October 2026

For standard Christmas 2026 orders to all our delivery areas, both your order and cleared payment must reach us by 5pm UK time on 16 December 2026. Approved business customers retain their agreed credit terms. Bespoke Christmas deadlines are agreed individually in writing. After the deadline, contact us before ordering; Christmas delivery is promised only if we confirm it in writing.

Business customers only

We supply care homes and other businesses only. We do not accept orders from individuals or families buying for personal use. The person ordering must be authorised to act for the named business. Delivery to a care home alone does not make a personal purchase a business order.

Prices and VAT

All product prices in this brochure exclude VAT. Applicable VAT is added to your order and shown separately in your quotation, order summary or invoice. Gift boxes can contain items with different VAT treatment; not every box is wholly subject to 20% VAT.

Payment and acceptance

We accept card or payment link, bank transfer and cheque. Unless agreed credit terms apply, payment must clear in full before dispatch. Approved business customers with agreed credit terms pay within 30 days of delivery. Your order is accepted when we send the order confirmation email.

Delivery charges and services

Delivery charges are per parcel and depend on destination. The charge must be confirmed in your quotation or order summary before acceptance. Standard gift wrapping is included in the gift price.

Free local delivery is available for eligible addresses within 5 miles of Brighton, with no minimum order value, and covers every parcel in the order using our standard delivery service.

Express or timed delivery, whether inside or outside the free local-delivery area, must be agreed before ordering, with availability and any surcharge confirmed in writing.

For deliveries to Jersey or the Isle of Man, contact us for a delivery quotation before ordering until delivery prices are confirmed.

Before placing your order

Read and retain our Terms and Conditions before ordering:
whiteboxcare.co.uk/terms-and-conditions

Business cancellations and non-faulty returns after acceptance require prior agreement. Existing orders retain the terms and rights that applied when accepted.

Questions and personal information

Email sales@whiteboxcompany.co.uk or call 01273 009496.

Privacy Policy: whiteboxcare.co.uk/privacy-policy

Send only the information needed to fulfil your order. Ordering does not give consent to marketing.
